

Fund Drive Announcement

Please read the following Fund Drive plea at meetings during March. It is vital to maintain every group's connection to its Central Office.

Announcement

It's the March Fund Drive! Once a year, your Central Office asks for contributions to *keep the doors open*. Without you, the office would be unable to help the suffering alcoholic.

Personal and group contributions are its only source of income. Your donation truly sustains the Cleveland District Office. Donate by phone, mail, go online or in-person.

We understand times are extra challenging. Consider making a pledge to pay later. We have all the pledge forms here today. Please do your part to help the suffering alcoholic by donating to the March Fund Drive. Thank you for your support!
